SUPPLEMENTAL DECISION AND ORDER

On February 6, 2003, I issued a Decision and Direction of Election in this matter directing that an election be conducted among the Employer's employees in a unit comprised of all full-time and regular part-time security officers, control officers, relief sergeants and relief lieutenants employed by the Employer in San Francisco, San Mateo and Alameda Counties; excluding security officers working at the Embarcadero Center in San Francisco who are represented by SEIU Local 1877, all other employees, all non-guard employees, office employees and supervisors as defined in the Act. As the unit found appropriate was larger than that requested, the Petitioner was accorded a period of 10 days from the date of the Direction of Election in which to submit the requisite showing of interest to support an election. The Petitioner was advised that in the event it

did not wish to proceed with an election, it could withdraw its petition without prejudice by notice to the undersigned within 7 days from the date of that decision.

It has been administratively determined that the showing of interest submitted by the Petitioner is not sufficient to warrant proceeding to an election in this matter. In these circumstances, the petition filed herein shall be dismissed.

ORDER

IT IS HEREBY ORDERED that the petition filed herein be, and it hereby is, dismissed.
